## A SNUG SOUNDS LIKE IT MIGHT BE TROUBLE. WHAT IS IT EXACTLY?

A snug is only as troublesome as the people inside it. As you look around, the enclosed table areas you see are called snugs. Snugs gained popularity in 18th Century Ireland, where a pub patron would pay more to sit in the privacy of a snug. Local politicians, traders, and secret lovers would use the snugs for their clandestine meetings. At Olde Blind Dog, it's perfect if you'd like a quieter spot to eat, drink and chat with your group. Slip into a snug and have a pint. It'll be our little secret.
